

PSHE Autumn Term – Year 1 and 2

KS1 1. HEALTH AND WELLBEING

1. what constitutes a healthy lifestyle including the benefits of physical activity, rest, healthy eating and dental health
2. to recognise what they like and dislike, how to make real, informed choices that improve their physical and emotional health, to recognise that choices can have good and not so good consequences
3. to think about themselves, to learn from their experiences, to recognise and celebrate their strengths and set simple but challenging goals
4. about good and not so good feelings, a vocabulary to describe their feelings to others and simple strategies for managing feelings
5. about change and loss and the associated feelings (including moving home, losing toys, pets or friends)
6. the importance of and how to maintain personal hygiene
7. how some diseases are spread and can be controlled and the responsibilities they have for their own health and that of others
8. about the process of growing from young to old and how people's needs change
9. about growing and changing and new opportunities and responsibilities that increasing independence may bring
10. the names for the main parts of the body (including external genitalia) the similarities and differences between boys and girls
11. that household products, including medicines, can be harmful if not used properly
12. rules for and ways of keeping physically and emotionally safe (including safety online, the responsible use of ICT, the difference between secrets and surprises and understanding not to keep adults' secrets; road safety, cycle safety and safety in the environment (including rail, water and fire safety))
13. about people who look after them, their family networks, who to go to if they are worried and how to attract their attention, ways that pupils can help these people to look after them
14. to recognise that they share a responsibility for keeping themselves and others safe, when to say, 'yes', 'no', 'I'll ask' and 'I'll tell'

PSHE Spring Term – Year 1 and 2

KS1 2. RELATIONSHIPS

1. to communicate their feelings to others, to recognise how others show feelings and how to respond

2. to recognise how their behaviour affects other people
3. the difference between secrets and surprises and the importance of not keeping adults' secrets, only surprises
4. to recognise what is fair and unfair, kind and unkind, what is right and wrong
5. to share their opinions on things that matter to them and explain their views through discussions with one other person and the whole class
6. to listen to other people and play and work cooperatively (including strategies to resolve simple arguments through negotiation)
7. to offer constructive support and feedback to others
8. to identify and respect the differences and similarities between people
9. to identify their special people (family, friends, carers), what makes them special and how special people should care for one another
10. to judge what kind of physical contact is acceptable, comfortable, unacceptable and uncomfortable and how to respond (including who to tell and how to tell them)
11. that people's bodies and feelings can be hurt (including what makes them feel comfortable and uncomfortable)
12. to recognise when people are being unkind either to them or others, how to respond, who to tell and what to say
13. that there are different types of teasing and bullying, that these are wrong and unacceptable
14. how to resist teasing or bullying, if they experience or witness it, whom to go to and how to get help

PSHE Summer Term– Year 1 and 2
KS1 3. LIVING IN THE WIDER WORLD
1. how to contribute to the life of the classroom
2. to help construct, and agree to follow, group and class rules and to understand how these rules help them

3. that people and other living things have needs and that they have responsibilities to meet them (including being able to take turns, share and understand the need to return things that have been borrowed)
4. that they belong to various groups and communities such as family and school
5. what improves and harms their local, natural and built environments and about some of the ways people look after them
6. that money comes from different sources and can be used for different purposes, including the concepts of spending and saving
7. about the role money plays in their lives including how to manage their money, keep it safe, choices about spending money and what influences those choices

PSHE Autumn Term – Year 3 & 4
KS2 HEALTH AND WELLBEING
1. how to make informed choices (including recognising that choices can have positive, neutral and negative consequences) and to begin to understand the concept of a ‘balanced lifestyle’
2. to recognise opportunities to make their own choices about food, what might influence their choices and the benefits of eating a balanced diet
3. to recognise how images in the media do not always reflect reality and can affect how people feel about themselves
4. to reflect on and celebrate their achievements, identify their strengths, areas for improvement, set high aspirations and goals
5. to deepen their understanding of good and not so good feelings, to extend their vocabulary to enable them to explain both the range and intensity of their feelings to others
6. to recognise that they may experience conflicting emotions and when they might need to listen to their emotions or overcome them
7. about change, including transitions (between Key Stages and schools), loss, separation, divorce and bereavement
8. to differentiate between the terms, ‘risk’, ‘danger’ and ‘hazard’
9. to deepen their understanding of risk by recognising, predicting and assessing risks in different situations and deciding how to manage them responsibly (including sensible road use and risks in their local environment) and to use this as an opportunity to build resilience
10. to recognise their increasing independence brings increased responsibility to keep themselves and others safe

11. that bacteria and viruses can affect health and that following simple routines can reduce their spread
12. to recognise when and how to ask for help and use basic techniques for resisting pressure to do something dangerous, unhealthy, that makes them uncomfortable, anxious or that they believe to be wrong
13. school rules about health and safety, basic emergency aid procedures, where and how to get help
14. which, why and how, commonly available substances and drugs (including alcohol and tobacco) could damage their immediate and future health and safety, that some are legal, some are restricted and some are illegal to own, use and supply to others
15. about taking care of their body, understanding that they have autonomy and the right to protect their body from inappropriate and unwanted contact; understanding that actions such as female genital mutilation (FGM) constitute abuse, are a crime and how to get support if they have fears for themselves or their peers.
21. strategies for keeping physically and emotionally safe including road safety, safety in the environment (including rail and safety), and safety online(including social media, the responsible use of ICT and mobile phones)
22. the importance of protecting personal information, including passwords, addresses and the distribution of images of themselves and others
23. about people who are responsible for helping them stay healthy and safe and ways that they can help these people

PSHE Spring Term– Year 3 & 4
KS2 RELATIONSHIPS
1.to recognise and respond appropriately to a wider range of feelings in others
2. to recognise what constitutes a positive, healthy relationship and develop the skills to form and maintain positive and healthy relationships
3. to recognise ways in which a relationship can be unhealthy and who to talk to if they need support.
4. to be aware of different types of relationship, including those between acquaintances, friends, relatives and families.
5. that civil partnerships and marriage are examples of stable, loving relationships and a public demonstration of the commitment made between two people who love and care for each other and want to spend their lives together and who are of the legal age to make that commitment
6. that their actions affect themselves and others

7. to judge what kind of physical contact is acceptable or unacceptable and how to respond
8. the concept of 'keeping something confidential or secret', when we should or should not agree to this and when it is right to 'break a confidence' or 'share a secret'
9. to listen and respond respectfully to a wide range of people, to feel confident to raise their own concerns, to recognise and care about other people's feelings and to try to see, respect and if necessary constructively challenge their points of view
10. to work collaboratively towards shared goals
11. to develop strategies to resolve disputes and conflict through negotiation and appropriate compromise and to give rich and constructive feedback and support to benefit others as well as themselves
12. that differences and similarities between people arise from a number of factors, including family, cultural, ethnic, racial and religious diversity, age, sex, gender identity, sexual orientation, and disability (see 'protected characteristics' in the Equality Act 2010)
13. to realise the nature and consequences of discrimination, teasing, bullying and aggressive behaviours(including cyber bullying, use of prejudice-based language, how to respond and ask for help)
14. to recognise and manage 'dares'
15. to recognise and challenge stereotypes
PSHE Summer Term– Year 3 & 4
KS2 LIVING IN THE WIDER WORLD
1. why and how rules and laws that protect themselves and others are made and enforced, why different rules are needed in different situations and how to take part in making and changing rules
2. to know that there are some cultural practices which are against British law and universal human rights, such as female genital mutilation
3. to realise the consequences of anti-social and aggressive behaviours such as bullying and discrimination of individuals and communities
4. that there are different kinds of responsibilities, rights and duties at home, at school, in the community and towards the environment
5. to resolve differences by looking at alternatives, seeing and respecting others' points of view, making decisions and explaining choices
6. what being part of a community means, and about the varied institutions that support communities locally and nationally
7. to recognise the role of voluntary, community and pressure groups, especially in relation to health and wellbeing
8. to appreciate the range of national, regional, religious and ethnic identities in the United Kingdom

9. to think about the lives of people living in other places, and people with different values and customs
10. about the role money plays in their own and others' lives, including how to manage their money and about being a critical consumer
11. to develop an initial understanding of the concepts of 'interest', 'loan', 'debt', and 'tax' (e.g. their contribution to society through the payment of VAT)
12. about enterprise and the skills that make someone 'enterprising'
13. to explore and critique how the media present information

PSHE Autumn Term – Year 5
KS2 HEALTH AND WELLBEING
1. what positively and negatively affects their physical, mental and emotional health (including the media)
2. to recognise opportunities to make their own choices about food, what might influence their choices and the benefits of eating a balanced diet
3. to recognise how images in the media do not always reflect reality and can affect how people feel about themselves
4. to reflect on and celebrate their achievements, identify their strengths, areas for improvement, set high aspirations and goals
5. to deepen their understanding of good and not so good feelings, to extend their vocabulary to enable them to explain both the range and intensity of their feelings to others
6. to recognise that they may experience conflicting emotions and when they might need to listen to their emotions or overcome them
7. to differentiate between the terms, 'risk', 'danger' and 'hazard'
8. to recognise their increasing independence brings increased responsibility to keep themselves and others safe
9. to recognise when and how to ask for help and use basic techniques for resisting pressure to do something dangerous, unhealthy, that makes them uncomfortable, anxious or that they believe to be wrong
10. school rules about health and safety, basic emergency aid procedures, where and how to get help
11. which, why and how, commonly available substances and drugs (including alcohol and tobacco) could damage their immediate and future health and safety, that some are legal, some are restricted and some are illegal to own, use and supply to others
12. how their body will, and emotions may, change as they approach and move through puberty

13. about human reproduction
14. about taking care of their body, understanding that they have autonomy and the right to protect their body from inappropriate and unwanted contact; understanding that actions such as female genital mutilation (FGM) constitute abuse, are a crime and how to get support if they have fears for themselves or their peers.
15. strategies for keeping physically and emotionally safe including road safety (including cycle safety- the Bikeability programme) and safety online(including social media, the responsible use of ICT and mobile phones)
16. the importance of protecting personal information, including passwords, addresses and the distribution of images of themselves and others

PSHE Spring Term– Year 5
KS2 RELATIONSHIPS
1.to recognise and respond appropriately to a wider range of feelings in others
2. to recognise what constitutes a positive, healthy relationship and develop the skills to form and maintain positive and healthy relationships
3. to recognise ways in which a relationship can be unhealthy and who to talk to if they need support.
4. to be aware of different types of relationship, including those between acquaintances, friends, relatives and families.
5. to be aware that marriage is a commitment freely entered into by both people, that no one should enter into a marriage if they don't absolutely want to do so
6. that their actions affect themselves and others
7. to judge what kind of physical contact is acceptable or unacceptable and how to respond
8. the concept of 'keeping something confidential or secret', when we should or should not agree to this and when it is right to 'break a confidence' or 'share a secret'
9. to listen and respond respectfully to a wide range of people, to feel confident to raise their own concerns, to recognise and care about other people's feelings and to try to see, respect and if necessary constructively challenge their points of view
10. to work collaboratively towards shared goals

11. to develop strategies to resolve disputes and conflict through negotiation and appropriate compromise and to give rich and constructive feedback and support to benefit others as well as themselves
12. that differences and similarities between people arise from a number of factors, including family, cultural, ethnic, racial and religious diversity, age, sex, gender identity, sexual orientation, and disability (see 'protected characteristics' in the Equality Act 2010)
13. to realise the nature and consequences of discrimination, teasing, bullying and aggressive behaviours(including cyber bullying, use of prejudice-based language, how to respond and ask for help)
14. to recognise and manage 'dares'

PSHE Summer Term– Year 5
KS2 LIVING IN THE WIDER WORLD
1. why and how rules and laws that protect themselves and others are made and enforced, why different rules are needed in different situations and how to take part in making and changing rules
2. to realise the consequences of anti-social and aggressive behaviours such as bullying and discrimination of individuals and communities
3. that there are different kinds of responsibilities, rights and duties at home, at school, in the community and towards the environment
4. to resolve differences by looking at alternatives, seeing and respecting others' points of view, making decisions and explaining choices
5. what being part of a community means, and about the varied institutions that support communities locally and nationally
6. about the role money plays in their own and others' lives, including how to manage their money and about being a critical consumer
7. to develop an initial understanding of the concepts of 'interest', 'loan', 'debt', and 'tax' (e.g. their contribution to society through the payment of VAT)
8. that resources can be allocated in different ways and that these economic choices affect individuals, communities and the sustainability of the environment
9. about enterprise and the skills that make someone 'enterprising'
10. to explore and critique how the media present information

PSHE Autumn Term – Year 6
KS2 HEALTH AND WELLBEING
1.what positively and negatively affects their physical, mental and emotional health (including the media)

2. how to make informed choices (including recognising that choices can have positive, neutral and negative consequences) and to begin to understand the concept of a 'balanced lifestyle'
3. to recognise how images in the media do not always reflect reality and can affect how people feel about themselves
4. to reflect on and celebrate their achievements, identify their strengths, areas for improvement, set high aspirations and goals
5. to deepen their understanding of good and not so good feelings, to extend their vocabulary to enable them to explain both the range and intensity of their feelings to others
6. to recognise that they may experience conflicting emotions and when they might need to listen to their emotions or overcome them
7. about change, including transitions (between Key Stages and schools), loss, separation, divorce and bereavement
8. to differentiate between the terms, 'risk', 'danger' and 'hazard'
9. to deepen their understanding of risk by recognising, predicting and assessing risks in different situations and deciding how to manage them responsibly (including sensible road use and risks in their local environment) and to use this as an opportunity to build resilience
10. that pressure to behave in an unacceptable, unhealthy or risky way can come from a variety of sources, including people they know and the media
11. to recognise when and how to ask for help and use basic techniques for resisting pressure to do something dangerous, unhealthy, that makes them uncomfortable, anxious or that they believe to be wrong
12. school rules about health and safety, basic emergency aid procedures, where and how to get help
13. what is meant by the term 'habit' and why habits can be hard to change
14. which, why and how, commonly available substances and drugs (including alcohol and tobacco) could damage their immediate and future health and safety, that some are legal, some are restricted and some are illegal to own, use and supply to others
15. about taking care of their body, understanding that they have autonomy and the right to protect their body from inappropriate and unwanted contact; understanding that actions such as female genital mutilation (FGM) constitute abuse, are a crime and how to get support if they have fears for themselves or their peers.
16. strategies for keeping physically and emotionally safe including safety in the environment (including rail , water and fire safety), and safety online(including social media, the responsible use of ICT and mobile phones)
17. the importance of protecting personal information, including passwords, addresses and the distribution of images of themselves and others
18. about people who are responsible for helping them stay healthy and safe and ways that they can help these people

--

PSHE Spring Term– Year 6
KS2 RELATIONSHIPS
1.to recognise and respond appropriately to a wider range of feelings in others
2. to recognise what constitutes a positive, healthy relationship and develop the skills to form and maintain positive and healthy relationships
3. that civil partnerships and marriage are examples of stable, loving and who are of the legal age to make that commitment (including diverse families)
4. to be aware that marriage is a commitment freely entered into by both people, that no one should enter into a marriage if they don't absolutely want to do so
5. that their actions affect themselves and others
6. to judge what kind of physical contact is acceptable or unacceptable and how to respond
7. the concept of 'keeping something confidential or secret', when we should or should not agree to this and when it is right to 'break a confidence' or 'share a secret'
8. to listen and respond respectfully to a wide range of people, to feel confident to raise their own concerns, to recognise and care about other people's feelings and to try to see, respect and if necessary constructively challenge their points of view
9. to work collaboratively towards shared goals
