

Gorse Covert PRIMARY SCHOOL

Sports Newsletter

Issue 1

October 2017

Welcome to the first edition of Gorse Covert Primary School's PE and School Sports Newsletter. As you can see, the children have been extremely busy both in and out of school working on their individual skills and being part of a team.

Leadership Academy

During the summer holidays, a group of children represented our school at Warrington Primary Leadership Academy at Priestley College. They worked hard to develop skills in planning and organising games for other children in school.

Football

Both our Year 3 and Year 6 teams have made a fantastic start to the season. They have played friendly matches against Birchwood and Meadowside and are so far unbeaten!

Sainsbury's

Thank you!

Thank you to everyone who sent in Sainsbury's Active Kids vouchers.

The children are now enjoying using their new equipment that we earned through the scheme.

Did you know?

All primary school children should be physically active for at least 1 hour every day!

Individual Achievements

Joshua Abe (Y3) went to Portugal to play in a tournament with Liverpool FC academy. He won player of the tournament!

James Vernon (Y6) earned his black belt in Karate. This is a huge achievement.

Mani Lad (Y3) was proud to win medals in a Karate competition in October.

Netball

Congratulations to our netball team who beat Meadowside Primary School 6-0 in their first match of the year.

Staff vs. Parents Netball Match (Wednesday 8th November)

Please contact the school office if you are interested in playing as part of the parents' team in the match.

The School Games Mark is a government led awards scheme that rewards schools for their commitment to the development of competition across their school and into the community.

We are currently awaiting validation of a silver award and will keep you updated!

If you would like your child to feature in our newsletter, please inform their class teacher of their achievements.
